**ARTICLE II**  
**EFFECT OF AGREEMENT**

- A. The parties further acknowledge that, during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the employer and represented employees, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other should not be allowed to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, even through such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- B. This Agreement constitutes the entire Agreement and understanding between the parties and supersedes all prior written and oral agreement, commitments and such practices affected by the Agreement between the Employer and represented employees. This Agreement expresses all obligations of and restrictions imposed on each of the parties during the term of this Agreement. This Agreement may only be amended during its term by written mutual agreement of both parties.
- C. The terms and conditions of individual contracts shall be consistent with this agreement.
- D. External Law/Precedence of Agreement
1. In conduct of its operations and administration of this Agreement, the Board shall comply with applicable federal, state, and local laws, rules and regulations. To the extent that any term, condition, or provision of this Agreement shall conflict with any such applicable law, rule, or regulation, the law, rule, or regulation shall prevail. To the extent that any term, condition, or provision of this Agreement shall conflict with any Board policy or handbook provision, the term, condition, and provision of this Agreement shall prevail.
  2. Should any article, section or clause of this agreement be declared illegal by a court of competent jurisdiction, said article, section or clause, as the case may be, shall be automatically deleted from this agreement to the extent it violated the law, but the remaining articles, sections and clauses shall remain in full force and effect.
- E. No Strike Provision
- During the term of this agreement, employees shall not participate in a strike in whole or in part. Strike means an employee's refusal in concerted action with others to report for duty, or his/her willful absence from his/her position, or his/her stoppage of work, or proper performance of his/her contractual obligations, for the purpose of inducing, influencing, or coercing a change in the condition, compensation, rights, privileges or obligations of public employment. Nothing in this provision shall operate to eliminate an employee's or the Association's legal, constitutional, or regulatory rights.

F. Waiver of No Strike Provision

In the event this Agreement shall contain a negotiations re-opener on some of the contractual items contained therein, the No Strike Provision shall be waived. Should the negotiations process fail to reach an Agreement, the Association shall have the right to strike after satisfying the impasse process of this Agreement and the rules and regulations of the Illinois Educational Labor Relations Act.

G. No Lockout Provision

The Employer agrees that it will not lockout any Employee during the term of this Agreement. In the event this agreement shall contain a negotiations re-opener on some of the contractual items contained therein, the No Lockout Provision shall be waived.

- B. The Association shall have the right to use the direct mail service, email service, and teacher mailboxes for communications of its activities and matters of Association concern to teachers.
- C. The Association and its representatives shall have the right for use of designated areas of school buildings for meetings, provided that when special custodial services are required or use of a special facility is requested, the School Board may make a reasonable charge therefore. Such meetings shall not take place during the regular school day, shall not disrupt normal school activities and may be held only with the prior knowledge of the school administrators.
- D. Duly authorized representatives of the Association and their respective affiliates will be allowed to transact official Association business on school property at all reasonable times, provided this shall not interfere nor interrupt normal school operations, and is done with the prior knowledge of the building administrator. And further provided, no teacher will express his/her views, nor Association's views on matters relating to Supervisors-Teacher, Principal-Teacher, or School Board-Administrator relationships in the presence of students.
- E. The School Board shall make available to the Association, within one week of request, all regularly and routinely prepared information concerning the financial condition of the school including the annual financial statements and the adopted budget. Nothing herein shall require the central administrative staff to research and assemble information.
- F. Association Communications

The Association recognizes that issues and problems should be resolved at the Administration level whenever possible and so generally the following steps should be utilized.

For issues at the school level, the President of the Association (or designee) may present any issue that may arise to the school Principal who has authority to address the issue. The Principal shall respond within three work-days of receiving notice of the issue from the Association.

The President of the Association (or designee) shall present issues that relate to District operations directly to the Superintendent who shall respond to the Association within three work-days of receiving notice of the issue from the Association.

All notices and responses hereinunder shall be in writing (which may be via email). Nothing herein shall preclude the Association and Principal or Association and Superintendent from convening a meeting to address an issue presented by the Association. In such event, the Principal's response and/or Superintendent's response shall be communicated within three work-days after the meeting date. Any time limits set forth above may be extended by written agreement of the parties.

The Association President (or designee) may request to meet informally with up to three Board members to promote communication between the School Board, the Association, and its members.

G. Discipline

For just cause, teachers shall be subject to disciplinary action by the Administration and/or Board. The Association and Board acknowledge that appropriate disciplinary sanctions for any teacher misconduct shall be determined by the Administration and/or Board based on the repetitive nature of such misconduct and/or the magnitude or severity thereof.

H. Chain of Command

The board and administration recognize that it is preferable for issues concerning a student to first be discussed between the student or parent and the teacher. When possible, that is the avenue through which both the board and administration will direct parents in dealing with a problem. Should that not be possible, the teacher will be informed of concerns no more than five business days for administration to inform a teacher of a concern that has been brought to administration's attention and that administration should encourage parents/guardians to follow proper chain of command.

I. Vacancy Notices

PA 103-0539 Beginning January 1, 2025 vacancies must be communicated internally within 14 days of external posting. The Board shall provide the President(s) of the Association with a copy of official certificated vacancies in the District caused by retirement, resignation, extended illness, death or discharge, or the creation of a new certificated position. ## ARTICLE V NEGOTIATIONS

### A. Negotiations Procedure:

1. The parties shall commence bargaining for a successor agreement no earlier than 120 days prior to the expiration date of the agreement or unless both parties agree to commence earlier and shall bargain as per the Illinois Educational Labor Relations Act and its Rules and Regulations.
2. Ground rules for negotiations shall be determined at the first meeting prior to negotiations commencing.
3. Both parties agree that it is their mutual responsibility to make written proposals, consider proposals, make counter-proposals, and to seek tentative agreements. Tentative agreements shall be reduced to writing and initialed by the spokespersons of the respective teams at the meeting the tentative agreement is reached, and upon final agreement the entire contract shall be submitted to the Association for ratification and subsequently to the Board of Education.
4. If the parties cannot reach agreement, the Federal Mediation and Conciliation Services shall be contracted for mediation purposes. Should FMCS be unavailable, the parties shall immediately commence discussions as to a replacement. If a replacement is unavailable or the parties cannot agree, the Illinois Education Labor Relations Board shall be notified.

### B. Good Faith Bargaining:

1. The Board and the Association agree to participate in good faith negotiations. To negotiate in good faith shall mean the mutual obligation of the Board and the Association to meet at reasonable times and confer in good faith with respect to wages, hours, and other terms and conditions of employment and execution of a written contract incorporating any agreement reached; such obligation does not compel either party to agree to a proposal or require the making of a concession.

### C. Scope of Negotiations:

1. Areas to be negotiated under this Agreement shall include but not be limited to wages, hours, terms and conditions of employment and any other items mutually agreed upon by both parties.

**ARTICLE VI  
GRIEVANCE PROCEDURE**

A. Definition

1. A grievance shall mean a complaint that there has been an alleged violation, misrepresentation or misapplication of any provision of this agreement.

B. Time Limit

1. All time limits herein shall consist of school days except that when a grievance is submitted on or after May 15, the limits shall consist of all week days, Saturdays and Sundays excluded, so that the matter may be resolved before the close of the school term or as soon as possible thereafter. Time limits may be extended only with the written consent of the School Board and the Association. School days for the purpose of the grievance procedure shall mean teacher employment days. The informal grievance procedure must be initiated within ten school days of the knowledge of the occurrence of the alleged violation.

C. Grievance Representation

Grievance representation will be a building representative and/or member of executive council. The representative may be from any building. The superintendent shall be the grievance representative for the Board of Education.

D. Procedure

The parties acknowledge that it is usually most desirable for a teacher(s) and his/her principal to resolve a grievance through free and informal communications. However, if a grievance is not resolved within ten days of the initial meeting, the grievance may be processed as follows:

Step 1: If the grievance is not resolved in the informal process, the teacher or AEA within ten days of the informal process must present the grievance in writing to the principal who will arrange a meeting within ten days. The written grievance should state the nature of the grievance, should note the specific clause or clauses of the agreement allegedly violated, and should state the remedy requested. The principal, and the Grievant (s) shall be present for the meeting. Each party shall have the right to include its representative. The principal shall provide the grievant with a written decision on the grievance within ten days following the meeting.

Step 2: If the grievant is not satisfied with the disposition of the grievance (s) at Step 1, the Association shall refer the grievance, within ten days of the receipt of the written decision, to the Superintendent. A meeting shall be held within ten days of the referral to the superintendent, and the Grievant(s) shall be present. Each party shall have the right to include counselors to develop facts pertinent to the grievance. Within ten days of the meeting, the superintendent shall provide the Association with a written decision.

Step 3: If the grievant is not satisfied with the disposition of the grievance at Step 2, the Association may, by written notice to the Superintendent, refer the grievance to mediation within 10 days after the decision is provided at Step 2. Upon referral of any grievance to mediation, the Association and the School Board shall jointly request the Federal Mediation & Conciliation Service to provide the services of a mediator at a time or times convenient to all parties. More than one grievance may be submitted to the same mediator if the parties mutually agree in writing.

Step 4: Arbitration: If the grievance is not resolved through mediation, the Association may submit the grievance to binding expedited arbitration under the rules of the American Arbitration Association, which shall act as administrator of the proceedings. If the Association does not file a demand for arbitration within 30 days after the mediation meeting, then the grievance shall be deemed withdrawn.

- E. Neither the School Board nor the Association will be permitted to assert any grounds or evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to, or subtract from the terms of this agreement. However, it is mutually agreed that the arbitrator is empowered to include in his/her recommendation such financial, reimbursements as he/she judges to be proper. Each party shall bear the full cost for its side of the arbitration, and will pay one half of the costs for the arbitrator (s).
- F. Every teacher covered by this agreement shall have the right to present grievances in accordance with these procedures. Nothing contained in this article or elsewhere in this agreement shall be construed to prevent any individual teacher from following the proper channels to discuss and resolve a problem with the administration.
- G. If both parties in a given step agree, said step of the Grievance Procedure may be bypassed and the grievance may be brought directly to the next step.
- H. The aggrieved teacher shall be present at any grievance discussion when the administration and/or the Association deem it necessary. When the presence of the aggrieved teacher at a grievance hearing is requested by either party, illness or other incapacity of either party shall be grounds for any necessary extension of the grievance procedure time limits.
- I. Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend and will be held, insofar as possible after regular school hours, or during non-teaching time of personnel involved. When such hearings and conferences are held, at the option of the administration, during school hours all employees whose presence is required shall be excused, with pay, for that purpose.
- J. The failure of a teacher or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal, but in no case shall establish a precedent. An administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step, but in no case shall establish precedent.
- K. The time limits at all steps may be extended by mutual agreement.

**ARTICLE VII  
REPRESENTATION ELECTION**

- A. Elections shall be by secret ballot, and conducted in accordance with the rules and regulations established by the Illinois Educational Labor Relations Act.

For a class that does not meet daily, the compensation will be pro-rated by the number of days that the early bird class is scheduled to meet.
- F. Personnel File
1. Personnel files shall be maintained by the Superintendent for all teachers. No document shall be placed in the teacher's personnel file unless the teacher has first had an opportunity to review and initial such document. Teachers have the right to prepare a written response to any document that is or shall be included in the personnel file, and such written response shall be appended to such document.
