

Memorandum of Understanding

The following language replaces Article IX. A. 4. in the Auburn CUSD 10 Collective Bargaining Agreement:

If a 6-12 core content teacher, outside of a self-contained classroom, is assigned to teach more than four (4) core content course preparations (English, Math, Social Studies, Science) per day, then a stipend of \$400 per semester for each additional course preparation will be paid to that teacher. 6-12 core content teachers who are in the retirement pipeline cannot be given additional course preparation to exceed 4, so as not to incur TRS penalties.
