MEMORANDUM OF UNDERSTANDING

09-08-26

Art XIII. B.

The section addressing the Notice of Retirement inadvertently copied and pasted FY24 in each of the four years. To clarify, any employee who qualifies for the 6% pipeline may give notice inside of their last 4 years, 3 years, 2 years or their last year prior to retirement. The prior contract listed the fiscal year only in XIII., B., 1.

Carl Kessler, Board President
